

Cornell University

5th REUNION CAMPAIGN

In honor of our 5th Reunion, our class has a special campaign to help increase support for Cornell.

WHAT COUNTS?

Classmates may direct their gift to any area of Cornell that they care about but we strongly encourage support of the Annual Funds as part of their commitment.

Annual funds provide immediate support for urgent needs and new opportunities. Turn today's ideas into tomorrow's action or help fill a gap.

Cornell Giving Societies

The Giving Society levels listed below recognize all giving and serve as an inspiration to many as they consider increasing their support over time. Strengthening the Annual Funds is a major priority of the University and a powerful way for all Cornellians, parents and friends to contribute to Cornell's success.

5th REUNION CAMPAIGN

BEFORE YOUR OUTREACH

- ❖ First, make your own gift to a Cornell Annual Fund—asking someone to join you in supporting Cornell will help you reach out with confidence and be more successful.
- ❖ Review your assignments—the donor strategy sheet should provide you with all the background you need. Please take special note of the amount to ask for. Your staff contact is happy to help if you have questions or need additional information.

WHY MAKE A GIFT

- ❖ Your gift impacts the lives of students, faculty, and the communities where they embody Cornell's mission of creating knowledge with a public purpose.
- ❖ Support today's students — tuition covers a fraction of the full cost of a Cornell education.
- ❖ Cornell is one of a small number of universities with a “need-blind” admissions process.

HOW TO MAKE A GIFT

Gifts by credit card—Credit card gifts are a quick and easy way to support Cornell. To make a credit card gift, visit <https://giving.cornell.edu/give> or call **800.279.3099**. VISA, MasterCard, American Express and Discover are all accepted.

Gifts by check—Checks should be made payable to “Cornell University” and should include the donor’s full name, class year, and gift designation. Mail checks to:
Cornell University
Box 37334
Boone, IA 50037-0334

Those who are interested in making gifts of stock may call the Office of Trusts & Estates at **1-800-377-2177**.

Gift fulfillment options—You may bill a credit card monthly, quarterly or yearly. Go to <https://giving.cornell.edu/give> and select “Recurring” as your Gift Type to set up a recurring payment.

Matching gifts—In addition to increasing your gift, matching funds from an employer count toward Giving Society membership and Reunion fundraising goals. Please check with the human resources department at your place of employment to obtain matching gift forms.

Key Points for Your Outreach

- ❖ Introduce yourself and tell them why you are calling.
- ❖ Thank your connections—if your contact has a history of giving to Cornell, thank them for their past support, for their loyalty, and for giving back.
- ❖ Be ambitious and confident—when you ask for the specific amount, share your own reasons for giving. Ask them to join you in supporting Cornell. Confirm their plans for their gift or establish a future time to have a follow-up discussion. We’ve included everything you need to start conversations by email and phone.
- ❖ Thank them, again—thank them for their time, for their consideration, and for their gift. Send them a follow-up note by email with links to the giving page, or by mail with the information on how to give along with a reply envelope.

If they say “YES!” do not forget to ask them if they would like to designate *their* gift to the Cornell Annual Fund.

Confirm the amount they want to give and ask where they want to designate their gift.

If the ask amount is too high...ask again

If they say no, then ask them for the 2nd ASK in your strategy narrative.

If that is still too high, ask if they would consider making a gift of any size to participate in your Reunion Campaign. If they are planning to make a gift, would they be willing to share the amount.

Though you may not hear back directly, your outreach helps to strengthen the relationship between your classmates and the University in these difficult times, and your work has a big impact!

Confirm information: Confirm their mailing address to ensure that they receive future Cornell, Class and Reunion mailings.

After Your Outreach

Congratulations! Please be sure to...

- ❖ Follow up with a thank you message and any other information needed.
- ❖ Send your staff contact helpful feedback—email them information about the outcome of your communication, along with any updated details you receive such as changes in contact information, personal stories, special connections, or specific interests.
